GREEN CAMPUS POLICY

The Green Campus Policy of the College visualizes a clean and green campus where environmental friendly practices combine to promote sustainable and Eco friendly practices in the campus and beyond the campus. It offers the institution an opportunity to take the lead in redefining its environmental culture through instilling environmental ethics among the students and the staff. The institution policies for green campus initiatives include maintain:

1. Landscaping with trees and plants.
2. Pedestrian Friendly pathways inside the campus.
3. Ban on use of Plastic.
4. Paperless & pollution free campus

The institution is dedicated to provide the best opportunity for development, learning through constant improvement of facilities and infrastructure.

Objectives:

- To sensitize the students and staff to use Eco friendly products.
- To minimize the use of polluting products.
- To instill the importance of cleanliness for a healthy life.
- Landscaping with trees and plants.
- To create awareness about environmental issues by organizing rallies, cleanliness drives, tree plantation drives and study tours etc.
- To maximize the use of ICT enabled classes and minimize the use of paper.
