
Key Indicator - 7.2 Best Practices

Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Provide web link to:

- Best practices in the Institutional web site
- Any other relevant information

Best Practice 1.

1. Title of the Practice: Mentor-Mentee Program

2. Objectives of the Practice

- To find hidden talent for leadership roles.
- To help the mentee achieve personal and professional objectives.
- To monitor the academic performance and to support them.
- To identify and solve personal problems of the students.

3. The Context

- This Program was introduced to advance the educational and personal growth of students.
- The mentor is guardian to understand the mentee personally.
- The mentor identifies the weak students and motivates them.
- A special bond between mentor-mentee is developed.
- The mentor provides counseling for time and stress management.

4. The Practice

- Every student is assigned a mentor.
- Mentor-mentee meet is held once in a month.
- The mentor continuously monitors the academic performance of each student.
- The mentors identify the advanced and slow learners and are guided accordingly.
- The mentor motivates the mentee for participating in extra curricular activities for holistic development.

5. Evidence of Success

- This program has helped in creating a strong bond between the teacher and student.
- The students approach their mentors for any kind of counseling they need.
- The mentors try to redress the grievances of the students.

6. Problems Encountered and Resources Required

- A large number of mentees are assigned to a mentor.
- More rooms are required for counseling of mentees.

7. Notes (Optional)

Please add any other information that may be relevant for adopting/ implementing the Best Practice in other institutions (in about 30 words).

Any other information regarding Institutional Values and Best Practices which the institution would like to include.

Best Practice 2.

1. Title of the Practice: Social Outreach

2. Objectives of the Practice

- To engage and support communities for groups in need, addressing social issues.
- Raising awareness, providing resources and services.
- Promoting social inclusion and fostering positive changes.

2. The Context

- To fulfill specific needs of education and health care.
- To understand the social inequalities.
- To make students culture sensitive.
- To make collaborative efforts with other organizations.

3. The Practice

- Visit to the village adopted by NSS unit for cleanliness drives.
- Visit to an elementary school at village UchhaGaon for celebrating Children's day with them.
- Visit to old age home at village Rongla.
- Visit to Kusht Asharam by the students.
- Awareness rallies about "No To Stubble Burning".
- Awareness programs about "Say No To Single Use Plastic".
- Celebration of Christmas with Deaf and Dumb students.
- Plantation drives beyond the campus.
- Cycle rally under SVEEP program.

5. Evidence of Success

- The efforts of the program have been widely recognized.
- All the above activities have been reported in press.
- The students learn to become a part of the society.
- The students become more sensitive to social issues.

6. Problems Encountered and Resources Required

- The outreach programs often have monetary requirements.
- The students have to spare extra time for these activities.
- Students often face temporary hinderances.

7. Notes (Optional)

Please add any other information that may be relevant for adopting/ implementing the Best Practice in other institutions (in about 30 words).
