

Seminar on waste management under 'Swachta hi Sewa' organized by Govt. Bikram College

The Eco Club of Government Bikram College of Commerce organized a seminar on 26th September '2023 on waste management under the program 'Swachta hi Sewa'.

On this occasion college teachers Jaspreet, Tarandeep and other staff members were also present. This seminar also aims at bringing awareness on environmental issues. on this event, students were motivated to make use of dry and wet garbage bins and they were also inspired to install two separate bins for dry and wet garbage in their homes.
