

Seminar on 'Ban on single use plastic 'in Govt. Bikram College of Commerce, Patiala

The Eco Club of Govt. Bikram College of Commerce, Patiala organised a seminar 'Ban On Single Use Plastic ' according to the directions issued by the Department of Higher Education ,Punjab and under the guidance of college principal Prof (Dr) Kusum Lata on 20.09.23.

The seminar was a part of the series of programmes under the cleanliness Mission - Swacchata Hi Sewa. The students presented their views on the topic. The community facilitators Mandeep Singh and Jwala ji from Municipal Corporation Patiala were a part of the program. They undertook a pledge along with the staff members and students about not using the plastic products and would help in keeping the environment clean and green.

Dr Jaspreet Kaur (Incharge Eco Club) presented the ill effects of using plastic products. Dr. Tarandeep coordinated the program.

After the seminar, the Buddy group and the Red Ribbon Club of College organised a Nukkad Natak for the students . The Nukkad Natak was presented by Adarsh Theatre Group Patiala .The Play was based on Life Struggles. The artists artistically made the students aware about the importance of studies, to bridge the gap of the rich and the poor. To be away from drugs and to work hard to fulfill their dreams .The students enjoyed the show and learnt a lot of valuable lessons .Dr Ritu Kapoor presented a vote of Thanks. Dr. Amrinder Kaur (in charge Buddy Group), Jasmine Kaur (In charge Red Ribbon Club) and other members of the staff were present.
