**2023-24**  
**(Parents' Feedback)**

**Feedback Outcome:**

- Most parents acknowledge that the college is providing congenial and conducive atmosphere for student's exposure. However, some parents have suggested that offering additional entrepreneurial opportunities to students through different methods according to their interests and preferences can further help them in excelling in their career.

**Action Taken:**

- To enhance students' exposure, the college conducts various activities such as workshops, seminars, webinars, and educational tours. Besides it, Bikram Fete has also been organized in the college campus to inculcate the skill of entrepreneurship among the students which was a land mark for the students growth.
