Action Taken Report

2018-2019

(Students' Feedback)

Feedback Outcome:

- Most students hold the opinion that student-teacher interaction in the classroom and within their mentor-mentee groups is good. However, some have suggested that teacher-student interaction should extend beyond the class to provide a platform for resolving doubts and queries.
- Though students acknowledge that they have been provided with a well-equipped library, some of them have suggested that more study materials should be added to the library.

Action Taken:

- In response to this feedback, the college has implemented measures to extend teacher-student interaction beyond the classroom. This includes organizing regular office hours, creating online discussion forums, and establishing communication channels where students can seek clarification on doubts and queries outside of the class hours.
- More study material like books, magazines, newspapers, journals have been added to the college library.

(Parents' Feedback)

Feedback Outcome:

- Most of the parents feel that college is providing proper drinking water facility to their wards. But some of them suggested that RO system should be installed near library as well.
- Most parents feel that the hostel mess is providing proper meals to their wards. However, some have suggested that a variety of food options should be added to the hostel mess.

Action Taken:

- To ensure the availability of fresh and clean water, an RO system has been installed outside the library building as well.
- To provide food as per the students' choice, entire week diet plan has been prepared with consultation of students in hostel mess.
