Action Taken Report

2021-2022

(Students' Feedback)

Feedback Outcome:

- A significant improvement in percentage of students visit into the library is required.
- Easy and accessible e-content should be available in college library.
- Training and placement should be enhanced.

Action Taken:

- To improve students' visit into the college library, Library Awareness Week has been organized for the students to know the importance of the library. In the time table of college, a library period is also allotted to each class and two Library Ambassadors from each Section of every class has been selected.
Book review is also taken from the students after reading the book to inculcate the reading habits of books other than text/course books.
- OPAC (Online Public Access Catalogue) facility has been provided to the students for easy and accessible e-content.
- Many MOUs with various organizations for students' placement and training have been assigned by the college. Besides it, many career guidance seminars, lectures are also organized by the Placement Cell regarding career orientation.
- Three certified courses and one certified programme have also been offered by the college to the students which are very supportive in their placement.
