Quality Policy

The institute is committed to promote and support all-round development of the students by sharpening their skills so that their talent can be explored maximum. The policy aims to achieve perfection and excellence in every step we take to shape the future of the younger generation towards a brighter tomorrow.

- Continuous steps are taken to inculcate moral and ethical values among the students and staff.
- The academic calendar is designed in such a manner which enhances the growth of students' skills.
- We practice the concept of participative management.
- We are also having library Ambassadors represented by students of various classes.
- The institute is having mentor-mentee groups and five houses through which the students participate in various activities. Each programme allows them to find out something beyond the syllabus and motivates them to do better things.
- We believe that students have power to change and every effort is made to engross them in significant discussions which leads their holistic development. Talent Hunt, Youth Festival, extempore, role playing and presentations by students give platform to them for their maximum exposure.
- There is a facility of Dastak classes in which the students can have direct interaction with the head of institute. The students

learn the leadership skills as they organize fresher's and farewell parties at the beginning and end of the session. Involvement of students in various clubs inculcates teamwork and time management among them.

- The campus environment is conducive which ensures persistent improvement of Quality Management System. Best infrastructure is provided to the students. Extension lectures by experts in their fields are arranged for students. Every year excellent results are given by students. The outcome of the quality policy has resulted an increase in the Gross Enrolment Ratio (GER).
- Ramps and wheelchairs are available in the college campus for differently abled students.
- The institute conducts Sports Meet every year which helps in developing physical and mental health of a student.
- The use of plastic bags is completely prohibited in the college campus.
- An indecent behavior by male students towards female students in the institute is a serious offence and is dealt with legal action.
- Ragging is strictly banned in the institute. We have zero tolerance policy for ragging.
- The canteen in the college serves nutritious and hygienic food to the students and staff.
- The college is having the Open Gym facility where the students use different machines and equipments in their free times.

- To promote the habit of reading among students Best Library User Award is given to the student who uses library maximum for reading.
- Tutorial meets are held regularly. Educational tours are arranged every year for the students. To give the practical exposure to the students industrial visits are also arranged for them.
- Blood donation camps are arranged every year in the college campus in which students donate their blood.
- Our college has various Memorandum of Understandings (MOUs) with many companies and institutes so that students can get the maximum benefit which is a unique feature of our quality policy.
